Subject: Thank you

Hello Chris,

I would like to THANK YOU very much for your patronage and discrete supervision. Working for you was an enhancing experience. There is a right atmosphere of quiet work and trust at your Department. It allows providing work of high quality, and such were the results of my Audit and Reconciliation.

I also would like to ask you about favor. Could I turn to you for references in the future? In the contract environment where I am, frequent changes in assignments cause clients' question about references.

Thank you again and good luck in the period of changes at Adecco. If your Department needs an Associate, if free, I would feel privileged to come again and lend my skills.

My best regards,

Przemek Gardias
